As usual for the cup games we will struggle for setters.

If you haven't set or are particularly willing to set, the Secretary will bite your hand off. For the pool games consideration is being given to Wigham teams setting for the Clare and vice-versa.

The Question Setting guidelines are available from Peter Charlton or can be viewed or downloaded from our website (www.lanccityquizleague.co.uk). Should you need help or guidance in setting please contact Peter on 01524 33138.

Bored – no quiz on Monday – spare copies will be available, if notified to the Secretary no later than Wednesday before their requirement, – there is no cost. Questions will not be available in cup weeks from the quarter finals onwards.

NOTE:

The Secretary will be unavailable from 17 November to 6 December and 18 December to 13 January. If you have any urgent problems during these periods, please contact Crawford on 01524 61814.
